

# WELCOME BACK!

## WE'VE REALLY MISSED EVERYONE

As you all know, we are in Phase 1 of re-opening La Pines as per St. Tammany Parish. As we move forward, we ask for your patience and understanding following the guidelines the government has set for this transition.

- We have supplied **Hand Sanitizer** for everyone at the front door.
- Please practice **Social Distancing**, (6 feet apart) when visiting.
- We are only allowed a **25% capacity** of total people in the building. Everyone must wait outside until seats are available. A list will be available for anyone wishing to wait.
- **No Reservations** and we cannot accommodate large tables of more than **10 Guests**.
- For everyone's safety, we will be serving in **disposable plates, cups and flatware, as well as single serve condiments**.

**We hope everyone will be considerate of other Guests that are waiting to dine with us.**
